

**New online training resource for today's architectural ironmonger to learn and develop their skills.**

**"This new GAI Education Hub is taking learning into the 21st century, offering an enhanced, interactive learning platform to an international audience."**

The GAI has been providing a unique education, qualification and CPD programme for the architectural ironmongery industry since 1961.

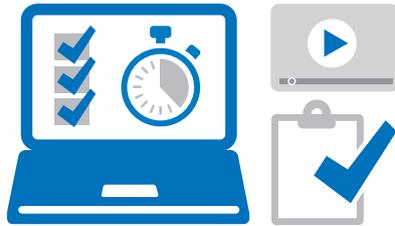

The only recognised programme in the world that leads to a qualification in architectural ironmongery to British and European standards.

Students on the GAI education programme come from 23 different countries

**2500+**  
Diploma holders

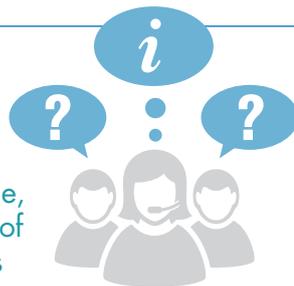

**Mixed media training**  
Course work, unlimited online self-tests, online exams with fast results, helpful explanations, and video clips.

**Education Hub Arrives**  
**SEPT 2015**

**Ongoing support**  
Telephone and face-to-face support for students

**12** Support groups worldwide, facilitated by the Institute of Architectural Ironmongers

**"Students will be guided through their learning in a much more accessible and engaging way. We are entirely transforming the Diploma syllabus, putting learning resources online and making them available to hardware professionals throughout the world."**

## GAI Diploma Programme

**Certificate in Architectural Hardware (Stage 1 and Stage 2)**

12 modules in each stage, covering everything a practicing architectural ironmonger is required to know.

**STAGE 1**

**STAGE 2**

**12 MODULES**

**LEADS TO...**

**GAI Diploma (Stage 3) - DipGAI**

3 further modules, focusing on the skills needed for scheduling, which is of crucial importance to those AIs working on projects being built to UK and European standards around the world:

**STAGE 3**

**3 MODULES**

**LEADS TO...**

**Registered Architectural Ironmonger (RegAI)** when an AI's learning is maintained by providing evidence of Continuing Professional Development (CPD) every year showing they are fully up-to-date with industry standards, regulations and legislation.
